The Court made the following :

COMMON ORDER : (Per Hon'ble Sri Bilal Nazki, ACJ)

It is contended by the learned Special Government Pleader that this batch of cases are covered by the judgment of this Court in Writ Petition Nos.21958 of 2001 and batch, dated 19.11.2001. The last paragraph of that judgment lay down;

> *"……their applications have already been processed. In fairness to the Original Applicants, we are of the opinion that the cases of those teachers who had completed 3 years of service at a particular station as on the date of consideration of their cases by the respective Committees should be reckoned as the date so far as the applicability of the amended Rule 6(vii) is concerned. We make it clear that the aforementioned directions are issued having regard to the fact that the process of counseling is commenced and applications have been received by the appropriate authorities either in terms of the old Rules or in terms of the interim orders passed by the learned Tribunal. We have also noticed in this context the Tribunal's direction to consider the cases of those applicants whose applications have been received on or before 5.10.2001 presumably because the said date was fixed by the Commissioner in terms of the aforementioned proceedings dated 24.9.2001."*

In view of these directions, we also feel that these writ petitions have become infructuous and as such, they are accordingly disposed of.
